NINA Bath Seat Lift

Complete bath seat lift

NINA, the new bath seat lift from Horcher, offers the greatest possible convenience, thanks to state-of-the-art technology. The soft, fully-padded, swivel seat with hygiene opening facilitates easy, practical handling. A great improvement for trips from the bed to the bathtub, shower, toilet, or just for transport.

Integrated digital scale on the bath lift

The digital scale integrated in the lift makes it possible to determine and monitor the patient's weight immediately.

Simply push to the bathtub,

Lower via remote control,

Bathe and raise without any problem.
